bond in the amount of \$100,000 by August 24, 2023. At a subsequent appearance before the Court on August 31, 2023, the Court extended the deadline for the posting of that property to September 5, 2023.

The parties stipulate and agree that, for purposes of that secured bond, the government will accept a valuation based on real estate comparables, including from a real estate aggregator such as the Zillow website or the Redfin website. On September 5, 2023, defense counsel presented to the government a bond package that includes such a valuation from the website Zillow. The government has approved the bond package for submission to the Court.

The undersigned Assistant United States Attorneys certify that they have obtained approval from counsel for the defendant to file this stipulation and proposed order.

IT IS SO STIPULATED.
